

116TH CONGRESS
2D SESSION

H. R. 8760

To require the Board of Governors of the Federal Reserve System and the Securities and Exchange Commission to issue an annual report to the Congress projecting and accounting for the economic costs directly and indirectly caused by the impacts of climate change, and to require the Federal Retirement Thrift Investment Board to establish a Federal Advisory Panel on the Economics of Climate Change, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 17, 2020

Mr. CLEAVER (for himself and Ms. TLAIB) introduced the following bill; which was referred to the Committee on Oversight and Reform, and in addition to the Committee on Financial Services, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To require the Board of Governors of the Federal Reserve System and the Securities and Exchange Commission to issue an annual report to the Congress projecting and accounting for the economic costs directly and indirectly caused by the impacts of climate change, and to require the Federal Retirement Thrift Investment Board to establish a Federal Advisory Panel on the Economics of Climate Change, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Restructuring Environmentally Sound Pensions in Order to Negate Disaster Act
3 of 2020” or the “RESPOND Act of 2020”.

5 **SEC. 2. CLIMATE CHANGE ECONOMIC COST REPORT.**

6 The Board of Governors of the Federal Reserve System and the Securities and Exchange Commission shall,
7 jointly, issue an annual report to the Congress projecting
8 and accounting for the economic costs directly and indirectly caused by the impacts of climate change, including
9 the labor market, economic growth, property and land
10 damage from rising sea levels and extreme weather, natural disaster relief and mitigation, public health, and other
11 broad areas of the economy.

15 **SEC. 3. FEDERAL ADVISORY PANEL ON THE ECONOMICS OF
16 CLIMATE CHANGE.**

17 Section 8438 of title 5, United States Code, is
18 amended by adding at the end the following:

19 “(i) **FEDERAL ADVISORY PANEL ON THE ECONOMICS
20 OF CLIMATE CHANGE.—**

21 “(1) **ESTABLISHMENT.—**The Board shall establish a panel to be known as the ‘Federal Advisory
22 Panel on the Economics of Climate Change’ (the
23 ‘Advisory Panel’).

25 “(2) **MEMBERSHIP.—**

1 “(A) IN GENERAL.—The Advisory Panel
2 shall consist of 9 members, appointed by the
3 Board as follows:

4 “(i) Three members shall be chosen
5 from among persons generally recognized
6 for their impartiality, knowledge, and expe-
7 rience in the field of labor relations and
8 pay policy.

9 “(ii) Six members shall be chosen
10 from among persons with expertise in
11 local, national, or transnational financing
12 that seeks to support mitigation and adap-
13 tation actions to combat climate change.

14 “(B) LIMITATION.—Not more than 3
15 members of the Advisory Panel may represent
16 a single employee organization, council, fede-
17 ration, alliance, association, or affiliation of em-
18 ployee organizations.

19 “(C) CHAIR.—The Board shall appoint one
20 member of the Advisory Panel appointed pursu-
21 ant to subparagraph (A)(i) to serve as the
22 Chair of the Advisory Panel.

23 “(D) COMPENSATION.—

24 “(i) IN GENERAL.—Members of the
25 Advisory Council may not receive pay by

1 reason of their service on the Advisory
2 Council, nor shall members who are not
3 otherwise employees of the United States
4 be considered employees by reason of any
5 such service.

6 “(ii) EXPENSES.—Notwithstanding
7 clause (i) members of the Advisory Panel
8 appointed pursuant to subparagraph (A)(i)
9 may be paid expenses in accordance with
10 section 5703.

11 “(3) DUTIES.—The Advisory Panel shall—

12 “(A) advise the Board on how, consistent
13 with their fiduciary duties, the Board can fur-
14 ther decarbonize their portfolio;

15 “(B) identify possible investment opportu-
16 nities in clean and renewable energy and other
17 emerging industries that would maximize re-
18 turns;

19 “(C) produce a comparative analysis com-
20 paring the fiduciary efficacy and responsibility
21 of existing investment practices of the Board
22 with decarbonized portfolio alternatives; and

23 “(D) advise the Board on how to identify,
24 assess, and manage the investment risks and

1 opportunities of climate change and prepare for
2 a transition to a low-carbon economy.

3 “(4) EXAMINATION.—In carrying out the duties
4 described under paragraph (3), the Advisory Panel
5 shall examine the following, and issue a report to the
6 Board on the results of such examination:

7 “(A) Economic and policy challenges fac-
8 ing the fossil fuel industry over the short, me-
9 dium, and long term.

10 “(B) Quantitative and qualitative analysis
11 and modeling of the economic impact of climate
12 change on Federal employee retirement pro-
13 grams (e.g., diversification of investments, risk
14 tolerance, future economic and workforce
15 trends, new opportunities, expected losses, and
16 returns).

17 “(C) The current state of, and outlook for,
18 clean energy, including possible investment op-
19 portunities.

20 “(D) Experience (including performance
21 analysis) of other pension funds and investors
22 which have undertaken concerted de-carbon-
23 ization efforts or strategic divestment from fos-
24 sil fuel holdings in order to maximize the effi-

1 cacy and stability of their assets while mini-
2 mizing their climate-related risk exposure.

3 “(E) Strategic options to address climate-
4 related investment risks through further de-car-
5 bonization, including—

6 “(i) transitioning to a low-carbon or
7 carbon-free benchmark index for all public
8 equities;

9 “(ii) divesting from significant fossil
10 fuel holdings that are not responsible fidu-
11 ciary investments for beneficiaries; and

12 “(iii) exploring the use of organiza-
13 tions to de-risk investments in carbon de-
14 pendent funds.

15 “(5) CONSULTATION WITH FEMA.—The Advi-
16 sory Panel shall, in preparing the report described
17 under paragraph (4), consult with the Federal
18 Emergency Management Agency on any matters
19 within the Agency’s jurisdiction.

20 “(6) RESULTS OF EXAMINATION.—If the
21 Board, after examining the report issued by the Ad-
22 visory Panel under paragraph (4), determines that
23 pension yields would be both financially profitable
24 and still consistent with the Board’s fiduciary duties
25 if low-carbon investment strategies were imple-

1 mented, the Board shall set a plan in place to tran-
2 sition the Board's investment practices accord-
3 ingly.”.
